

## OUR VISION

The Upstate Health Sciences Library will excel at developing and providing innovative and sustainable solutions to meet information needs. We will be our communities' vital partner in discovery.

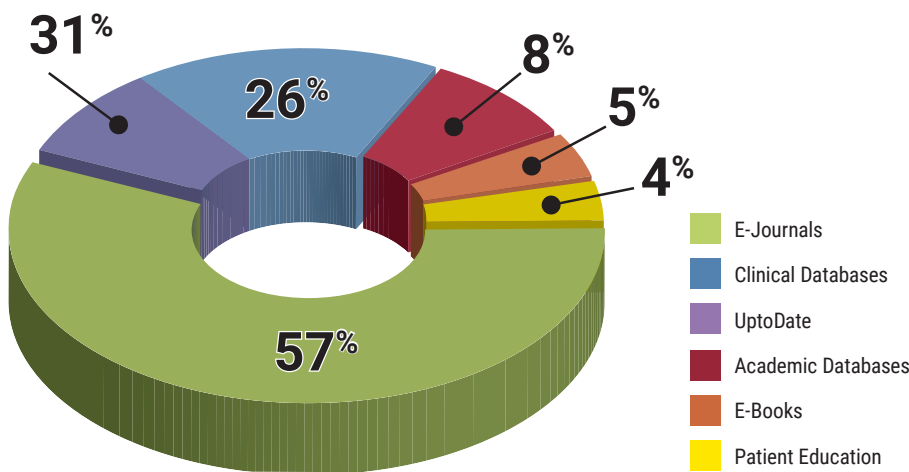

## 2016 CLRC ACADEMIC LIBRARY OF THE YEAR #1 OUT OF 22 CENTRAL NEW YORK ACADEMIC LIBRARIES

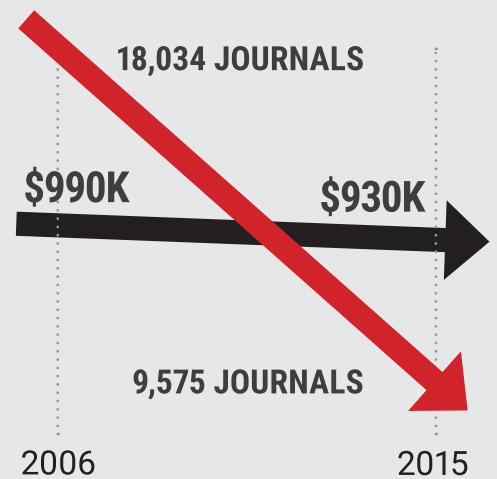

Judges considered multiple criteria in awarding library of the year honors, including: responsiveness to the community, user conveniences, staff expertise, sustainable practices, and ability to provide research assistance.

- Public & Media Relations, Upstate Medical University

## RESOURCE SPENDING

## REAL BUYING POWER

**22,230**  
CUPS OF COFFEE  
SERVED

**183,500**  
VISITORS PER  
YEAR

## BEST RETURN ON INVESTMENT

In 2015, our team delivered **12,323** articles to your desktops: representing **1,215** unique journals, at the expense of **\$39,702**. The estimated cost for licensing those titles is **\$2,003,535** – a cost savings of...

**\$1,963,833!**

## REFERENCE

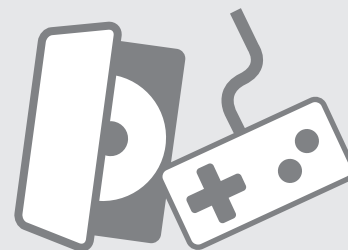

Librarians served **over 6,000 customers** across Upstate and our surrounding communities. We served as dedicated liaisons to 25 departments and special interest groups, providing expert services including training, comprehensive literature searches, systematic reviews and clinical support for policy review and evidence-based patient care.

## FAMILY RESOURCE CENTERS

Connected with **over 4,200 patients and families** to promote a positive patient experience with these specialized programs:

- Communal art displays
- Weekly family receptions
- Scavenger hunts
- Reading incentive programs

Dedicated staff provided viewer and reader advisory, circulating **nearly 11,000 movies and games.**
